TIME FOR

THE HEBRON HIGH SCHOOL

SENIOR CLASS

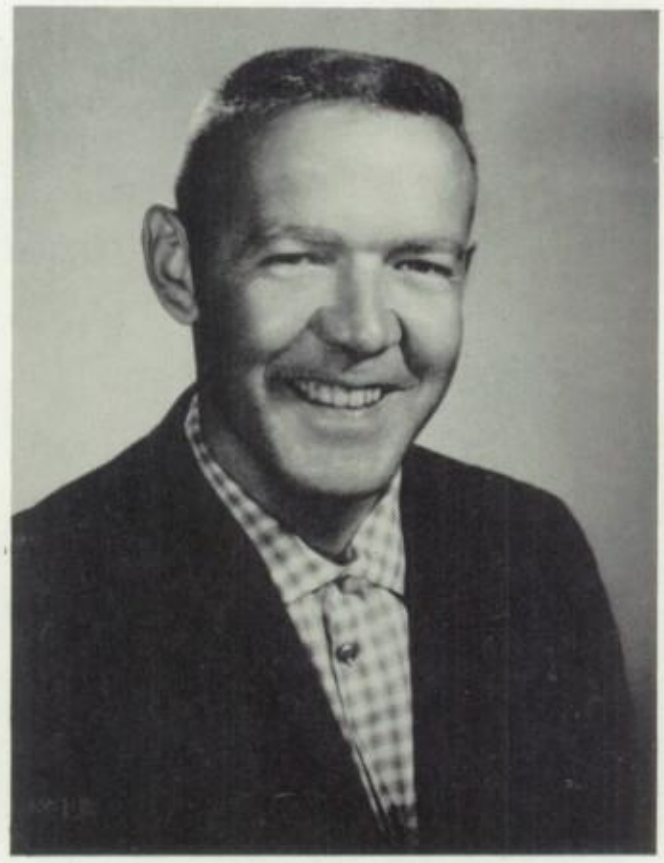
TO PRESENT

THE

1962

SENECA

HEBRON, IND.



We, the Senior class of Hebron High School, dedicate this, the 1962 Seneca to Mr. Kenneth Schiek.

Mr. Schiek has devoted eight years of teaching, coaching, and sponsoring to the school and us, the students. He has unselfishly given up his time and energy to help make our extra--curricular activities very successful.

So, we, the Senior class, to show our appreciation would like to dedicate this Seneca to you, Mr. Schiek.

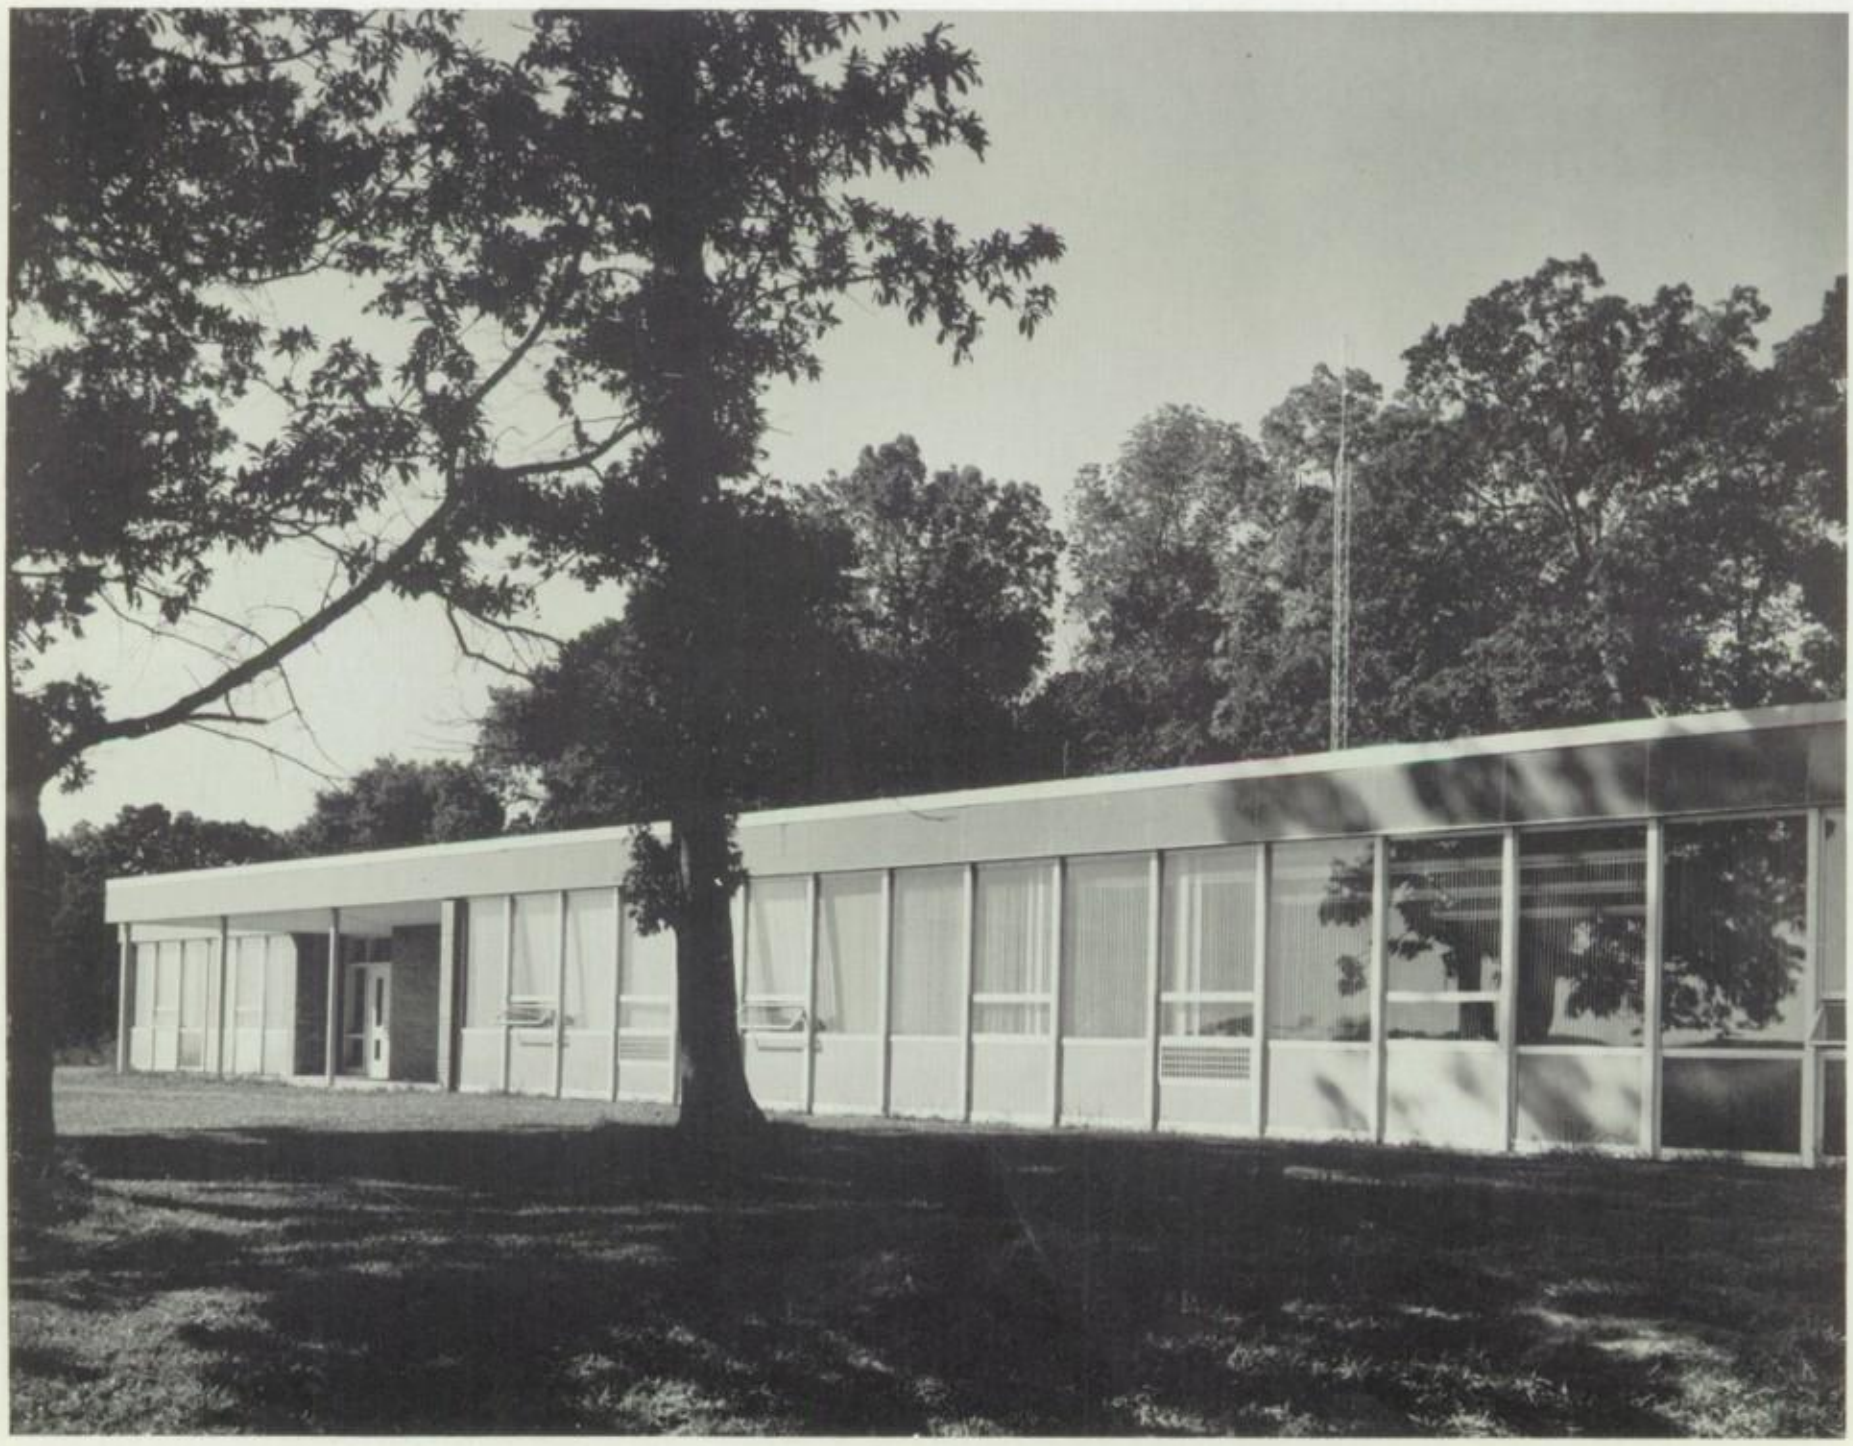
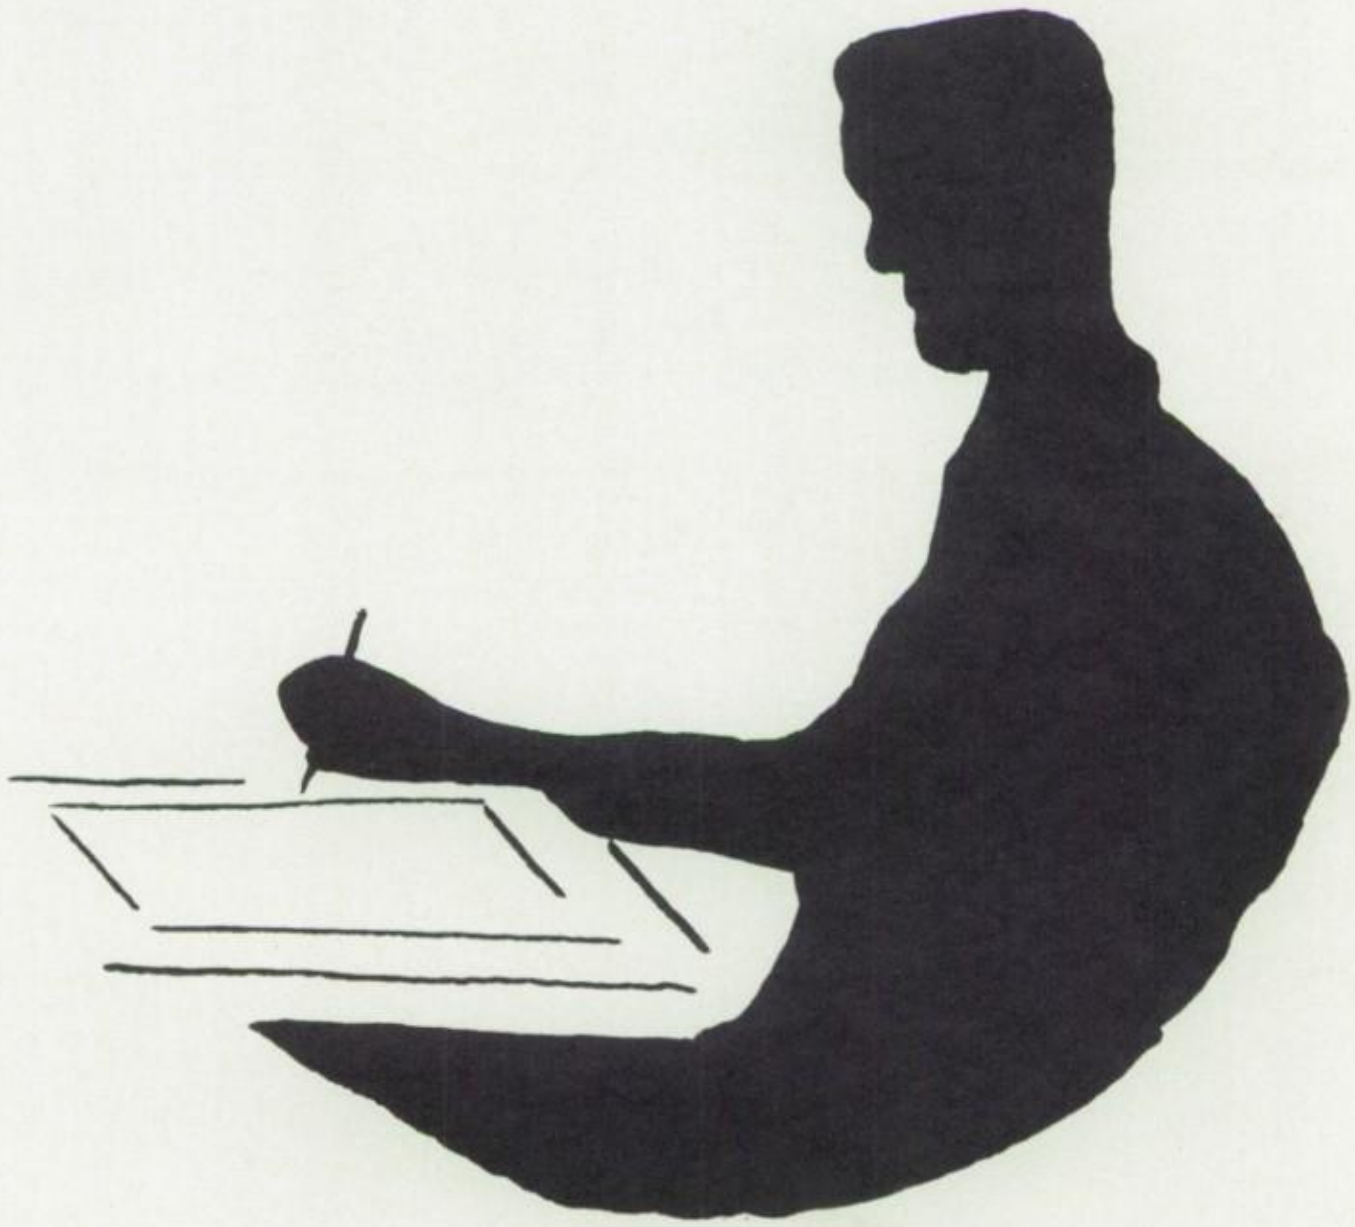
Hebron Public Schools

Something New?

This is really nothing new. It has been here for two and one-half years. This is the front of the grade building. This side of the school is seldom viewed by the students or townspeople. Next year the school will look considerably different as a six-room addition is being planned.





Faculty & Administration

Administration

Mr. Myron C. Knauff, our principal, and Mr. Russell Franzman, our trustee, are the administrative backbone of our school.

This year, when Mrs. Sherman, our secretary, resigned, we got another equally competent secretary, Mrs. Guillod.

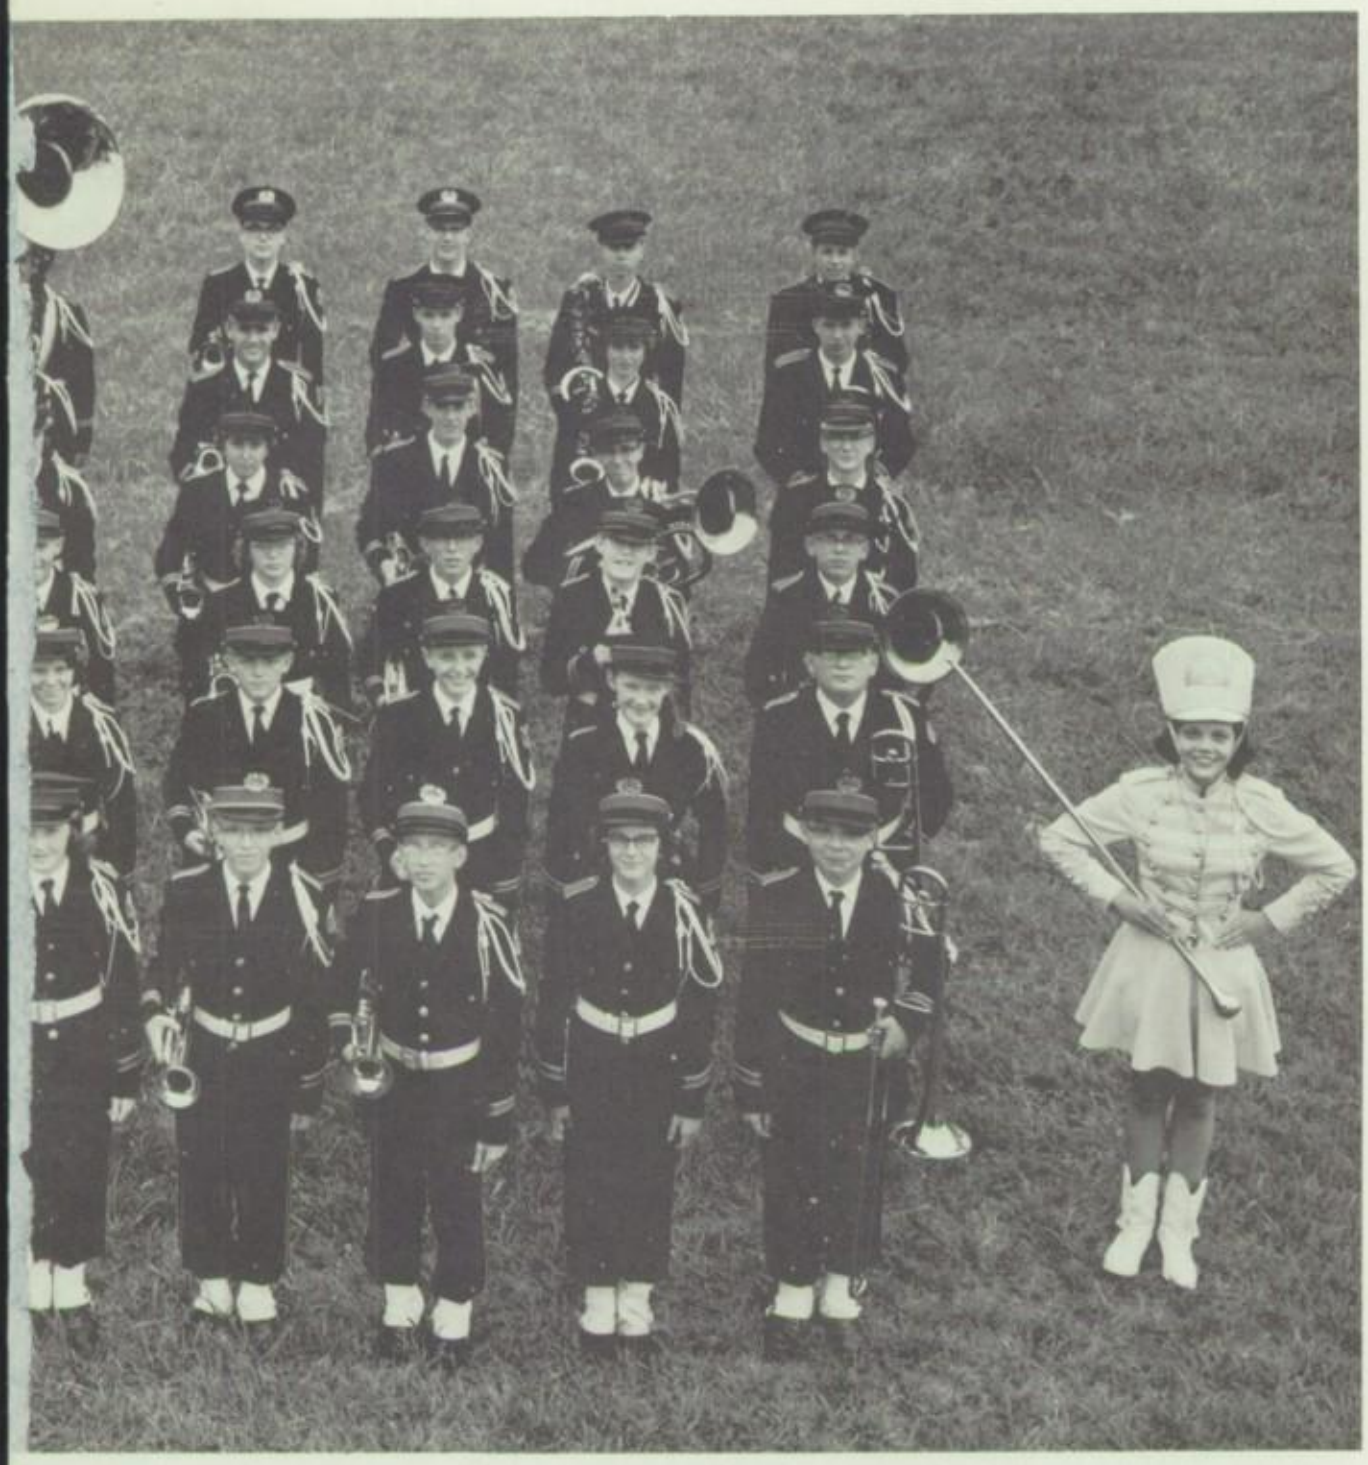
Activities

Band

The band, fifty-five members strong, has given recognition and entertainment to our school and community by performing at such events as the winter and spring concerts, district and state contests, the LaCrosse parade, and the Valparaiso Homecoming.

The Drum Major is a very important individual in the marching band. She gives signals to the other members as to the formations, timing, and beginning and ending of numbers. She and the other members of the band do a very fine job representing our school.



The band board consisting of four band members are selected by Mr. West to help him in the management of the band. The board members are Linda Aylesworth, Secretary; Ted Kaldahl, President; Cheryl Wilson, and Noel Dilley.

Hebron High

The Hebron High School Chorus consists of fifty-one high school students. On December tenth the Music Department gave its Winter Concert. District and State Band and Chorus contests were the high lights of the year. The accompanists are Carol Martin and Kathy Kaysen who both play the piano.

School Chorus

Junior Band

These are Hebron's future band students and their director, Mr. Ronald West. Hebron's Junior Band shows promise of becoming a fine group of musicians.

Pep Band

Here is the pep band which did a fine job of creating student body enthusiasm during home basketball games this past year.

National Honor Society

The Hebron Chapter of the National Honor Society was organized last year to give recognition to those students of the junior and senior classes who possess above average qualities in scholarship, service, citizenship, and leadership.

Student Council

The Student Council, consisting of three members from each of the upper six grades, works with the principal to help better our school.

Hawker Staff

The Hawker Staff keeps the students informed about what is happening at school.

Seneca Staff

We present to you this year's Seneca. We hope you like it.

G. A. A.

Girls Athletic Association was started in Hebron to provide friendly competition in sports between the girls of the upper four grades.

Booster Club

Projectors Club

The students who are in Projectors Club show movies and slides in classrooms to both the grade and high school students.

Patrol Boys

The Patrol boys have an excellent record at Hebron; there has not been an accident for 9 years.

Honors

Audrey Johnson was chosen the Betty Crocker Homemaker of Tomorrow of the class of 1962. Her selection was primarily based on a test on which she received the highest score.

Pat Hallberg received first place honors in the American Legion Auxilliary Oratorical Contest this year for her speech: The People's Constitution, Ours to Defend.

Linda Aylesworth was chosen this year's D. A. R. good citizen by the faculty.

Paul Knauff was chosen by a plurality vote of the student body for the honored position of President of the student body. Paul was also honored by the presentation of the gold basketball for his outstanding performance in the Porter County Basketball Tourney.

The students pictured at the right are the Girl's and Boy's State delegates and their alternates. They are selected from the upper third of their class by the faculty.

Honors

The students at the left are those who placed first in the district piano, vocal, and instrumental solo, and ensemble contest. These students entered the state contest. Connie Armstrong and the clarinet quintet consisting of Paul Knauff, Kim Kaldahl, Susan Hullihan, Becky Stineburg, and Mary Wagner won first place honors.
